

Student entry form

To enter Vodafone's Digital Creators' Challenge, please complete the entry form below. None of this information will be shared publicly and your entry must be submitted by **5pm on Friday 24 January 2020**.

1. App name:

2. School/club name:

3. Please explain the problem that you identified in your local community and have decided to address with your app (200 words max.)

4. Tell us about the research you did to decide what your app should do and who it should help (200 words max.)

**5. Please explain to us more about your target audience and why you decided to choose them
(200 words max.)**

**6. How will your app help to improve lives to address the problem you've outlined above?
(200 words max.)**

7. What are the three main features of your app and how do they work? (300 words max.)

8. Video: Sell your idea to the judges in a one-minute video. Paste a link to your video below. Make sure the video is set to private. [See our FAQs](#) with instructions on how to upload your video as unlisted on YouTube or private on Vimeo.

9. If you have uploaded a private video on Vimeo, please include the password for us to watch it below.

10. Product prototype: What does your app look like? If you have created an app prototype on App Lab, please click 'Share' at the top of your App Lab screen and copy and paste the URL produced into the box below. If you do not have an App Lab app, but want to take screenshots/pictures of your work (these could be wireframes, sketches or images of your designs or code), please ask your teacher to email us these in a JPG, PNG or GIF format.
